MISSED APPOINTMENTS POLICY

We ask for your assistance and cooperation in keeping your scheduled appointment date and time.

It is our policy that if a patient misses or cancels an appointment with less than 24 hours notice, that patient will be charged the regular office visit fee for that time. This policy is necessary to avoid the numerous schedule problems that last minute cancellations and missed appointments create!

If the need arises to cancel or change your appointment, we would appreciate 48 hours notice, when possible, but no less than 24, to avoid an unnecessary charge to you.

We thank you for your cooperation and look forward to being a vital part of your health recovery and maintenance.

I have read and understand the above policy:

AUTHORIZATION AND ASSIGNMENT

In consideration of your undertaking to treat me, I agree to the following:

1. I authorize you to release any information deemed appropriate concerning my physical condition to any insurance company, attorney or adjuster in order to process any claim for reimbursement of charges incurred by me.

Payment is to be taken out of the proceeds of any settlement of my case and by any insurance company obligated to make payment to myself or you based, in whole or in part, upon the charges made for your services.
3. In the event any insurance company obligated by contractual agreement to make payment to myself, or to you, for the charges for chiropractic services, refuses to make such payment upon demand by you, I hereby assign and transfer to you the cause of action that exists in my favor against any such company (the pertinent data below) and authorize you to prosecute said action either in my name as you see fit and further authorize you to compromise, settle or otherwise resolve said claims as you see fit. I understand that I am responsible for paying whatever amounts not collected from insurance proceeds (whether it be all or part of what is due).

INFORMED CONSENT FOR EXAMINATION & TREATMENT

I hereby consent to the performance of examination and treatment on me by the licensed Doctors of Chiropractic, and/or therapists who may be employed or engaged in practice in this clinic.

I have an opportunity to discuss with the doctor(s) or other clinic personnel the nature and purpose of the different therapy procedures and chiropractic treatment (manipulation/adjustment). I understand that neither chiropractic nor medical treatment is an exact science and that my care may involve judgment to attempt to anticipate or explain risks and complication and an undesirable result does not necessarily indicate an error in judgment. No guarantee for results can be made or expected, but rather I wish to rely on the doctor to choose and recommend a best course of treatment, based upon facts known, that is in my best interests.

I further understand that there are certain degrees of risk associated with chiropractic health care, which includes rarely, but not limited to fractures, disc injuries, strokes and strain/sprains, and am therefore willing to accept and consent to the risk associated with the care that I am about to receive.

I have read, or the above information has been explained, regarding consent. I have had an opportunity to ask questions about my examination and treatment. By signing below, I agree and intend this consent form to cover the procedures prescribed for my condition, and for any future conditions for which I seek treatment.
